ALTA ALELLA

Alta Alella is a family project that began more than twenty years ago with Josep Maria Pujol-Busquets and his wife Cristina Guillen, when they acquired the nineteenth-century estate Can Genis, located 2 km from the Mediterranean Sea between the towns of Alella and Tiana. It's the closest cellar to Barcelona and its organic wines are in the menus of some of the best restaurants of the world.

DONNAFUGATA

The name Donnafugata, literally 'woman in flight' refers to the history of Queen Maria Carolina, wife of Ferdinand IV of Bourbon, who fled Naples in the early 1800s on the arrival of Napoleon's troops, seeking refuge in the part of Sicily where the winery's vineyards now stand. This event inspired the Donnafugata logo, the effigy of a woman's head with windblown hair found on every bottle.

Donnafugata seeks excellence in premium wine by taking painstaking care over detail: in its vineyards, in its wine cellars, in its relationship with the environment. Extreme Quality is the entrepreneurial style which reflects the company philosophy

VINEYARDS
NAPA VALLEY

Our Estate Grown wines represent 40 years of tradition, research and experience with Napa Valley Merlot and Cabernet Sauvignon. Our philosophy has always been that the essence of great winemaking lies in the vineyard; consistently exceptional fruit comes from distinguished sites that have the right combination of soil, climate, and farming techniques. Our winemaker Renee Ary explains, "Our Estate Grown philosophy shows the quality potential when we have full control from vineyard to bottle. These wines are the pride of our portfolio. They set the standard. Even so, we strive to elevate that standard with each ensuing vintage."
