# MICHEL TORINO

ESTATE

Michel Torino is the iconic winery of the Calchaqui Valleys in the Argentine Province of Salta. The Calchaqui Valley vineyards are among the highest (1700 to 2300 meters above sea-level) in Argentina and around the world.

The altitude moderates the maximum temperatures and creates great range (35°C-15°C), enabling the spectacular vineyards to produce grapes with great intensity and phenolic concentration. The grapes ripen slowly and the wines are rich in colour with good structure and tannic texture and amazing aging potential.

## CUMA

ORGANIC

Cuma means pure and clear in Aymara, the language of a tribe who inhabited the region in the Inca's time. The Cuma range is certified organic and means that strictly controlled processes are adhered to in the vineyards and in the winemaking process. It is the winery's way to reconnect to the land and - through ecological responsibility - contribute to the future of coming generations. The wines are empowered with intense, fresh and natural flavours - the grape expresses itself in the most genuine way.

The Amaru range is named for Amaru, one of the gods of the indian culture who inhabited the Calchaqui Valleys. This surpreme creature, represented by a "flying snake," symbolizes water, which brought fertility to the Calchaqui soils and connected humans to their gods. The wines from the highvineyard sites (1800 M+) are highly concentrated in colour, aromas and flavours with a unique fruity character.

## FINCA LAS MORAS

Finca Las Moras is the pioneer winery in the production of high-end wines in San Juan since the vineyard conversion of 1993 by Richard Smart. The name originates in the blackberry trees present in our estates located in the three main valleys of San Juan. The fruits of these trees, the blackberries, are called "moras" in Spanish; this is the symbol of our wines: fruit at its greatest expression

# CROFTERS

This wine is straw gold in colour, with tinges of green. The bouquet displays ripe citrus and stone fruit aromatics with complex, refined characters of hazelnut, nougat and smoky flavours. Subtle malt and brioche nuances are derived from the barrel fermentation and extended lees contact. The bouquet follows onto a richly textured and mouthfilling palate, with flavours of white peach, lemon citrus and lightly toasted oak. Extended lees maturation has provided a creaminess and richness to the wine. A wine presenting wonderful complexity and freshness with great length of flavour.
