🍇 SANTA ANA

The cornerstone values of our winery, experience and innovation, are attributes we are extremely proud of, since they can only be the result of constant dedication, endeavor and an eagerness to evolve day by day.

With over 120 years experience in the wine industry, our winery was one of the first to be founded in Argentina. All along, innovation has been our determinant attribute, as well as a key element to positioning ourselves before the ever shifting consumer preferences.

🍇 LA MASCOTA

I took my first steps as a winemaker 27 years ago. My decision to become a winemaker was partly influenced by my family's winemaking tradition and their passion for wine. As a little boy, I used to see my grandfather and father engaged in their winemaking tasks and I always wished I could one day make my own wines of which to feel proud.

The wines of Mascota Vineyards are the outcome of that dream. They have my personal imprint and are a testimony of my life story. When you put passion and enthusiasm into what you do, your dream will know no boundaries and earn you international recognition.

VINEYARDS
NAPA VALLEY

Our Estate Grown wines represent 40 years of tradition, research and experience with Napa Valley Merlot and Cabernet Sauvignon. Our philosophy has always been that the essence of great winemaking lies in the vineyard; consistently exceptional fruit comes from distinguished sites that have the right combination of soil, climate, and farming techniques. Our winemaker Renee Ary explains, "Our Estate Grown philosophy shows the quality potential when we have full control from vineyard to bottle. These wines are the pride of our portfolio. They set the standard. Even so, we strive to elevate that standard with each ensuing vintage."

FINCA LAS MORAS

FINCA LAS MORAS

Finca Las Moras is the pioneer winery in the production of high-end wines in San Juan since the vineyard conversion of 1993 by Richard Smart. The name originates in the blackberry trees present in our estates located in the three main valleys of San Juan. The fruits of these trees, the blackberries, are called "moras" in Spanish; this is the symbol of our wines: fruit at its greatest expression.

DONNAFUGATA

The name Donnafugata, literally 'woman in flight' refers to the history of Queen Maria Carolina, wife of Ferdinand IV of Bourbon, who fled Naples in the early 1800s on the arrival of Napoleon's troops, seeking refuge in the part of Sicily where the winery's vineyards now stand. This event inspired the Donnafugata logo, the effigy of a woman's head with windblown hair found on every bottle.

Donnafugata seeks excellence in premium wine by taking painstaking care over detail: in its vineyards, in its wine cellars, in its relationship with the environment. Extreme Quality is the entrepreneurial style which reflects the company philosophy

SPIRITS

SORTILÈGE

SORTILÈGE

Sortilège is derived from an authentic recipe developed by the descendants of the first settlers of Quebec who brought Whisky making techniques to the New World and added a local native ingredient, maple syrup, to create a new and unique blended Spirit. A true expression of the rugged Canadian landscape, Sortilege follows a traditional recipe that strikes the perfect balance between the strength of Canadian Rye Whisky and the rich, golden flavours of pure Quebec Maple Syrup. Sortilege, our authentic Spirit.
