FINCA LAS MORAS

FINCA LAS MORAS

Finca Las Moras is the pioneer winery in the production of high-end wines in San Juan since the vineyard conversion of 1993 by Richard Smart. The name originates in the blackberry trees present in our estates located in the three main valleys of San Juan. The fruits of these trees, the blackberries, are called "moras" in Spanish; this is the symbol of our wines: fruit at its greatest expression.

MASCOTA VINEYARDS

I took my first steps as a winemaker 27 years ago. My decision to become a winemaker was partly influenced by my family's winemaking tradition and their passion for wine. As a little boy, I used to see my grandfather and father engaged in their winemaking tasks and I always wished I could one day make my own wines of which to feel proud.

The wines of Mascota Vineyards are the outcome of that dream. They have my personal imprint and are a testimony of my life story. When you put passion and enthusiasm into what you do, your dream will know no boundaries and earn you international recognition.

ITALY

The name Donnafugata, literally 'woman in flight' refers to the history of Queen Maria Carolina, wife of Ferdinand IV of Bourbon, who fled Naples in the early 1800s on the arrival of Napoleon's troops, seeking refuge in the part of Sicily where the winery's vineyards now stand. This event inspired the Donnafugata logo, the effigy of a woman's head with windblown hair found on every bottle.

Donnafugata seeks excellence in premium wine by taking painstaking care over detail: in its vineyards, in its wine cellars, in its relationship with the environment. Extreme Quality is the entrepreneurial style which reflects the company philosophy

SHEEP THRILLS

Yeah you, looking for adventure and some company on your journeys. Well, look no further, friends. When it comes to having fun and exploring, Marco and Paolo are your guys. Sure, these guys happen to be sheep, but that doesn't mean this duo isn't up for some off-the-beaten-path adventuring.

You see, Marco and Paolo aren't your typical sheepish sheep. They were raised in the instgrammable pastures of Abruzzo, Italy, a magical place that produces some of the best wine in the world. It's a place where shepherders and grape growers live in harmony and have worked side-by-side for hundreds of years.

And now these two wild and crazy Pecora (umm, that's Italiano for sheep) are ready to explore, make some friends, and tell the world about our wonderful wines, Sheep Thrills.

SORTILÈGE

Sortilège is derived from an authentic recipe developed by the descendants of the first settlers of Quebec who brought Whisky making techniques to the New World and added a local native ingredient, maple syrup, to create a new and unique blended Spirit. A true expression of the rugged Canadian landscape, Sortilege follows a traditional recipe that strikes the perfect balance between the strength of Canadian Rye Whisky and the rich, golden flavours of pure Quebec Maple Syrup. Sortilege, our authentic Spirit.
