## Terroir

The vineyard is managed in organic farming.

The vines are located between 400 and 700 meters above sea level, in the Bélice valley on soils dominated by limestone and thrive in a dry microclimate, particularly suitable for the production of white wines.

## Features

Pale yellow color. On the nose, we find aromas of citrus, muscat and flowers, and tints of mineral notes. With good acidity on the palate, it ends with a lingering finish.

## Other information

Residual sugar: 3 g/L
