

# SAGET LA PERRIÈRE CHINON MARIE DE BEAUREGARD

## Terroir

The honorable Maison Saget is part of the Loire Valley wine patrimony since 1970. Renamed Sagat La Perrière in 2011 by the ninth generation, it oversees over 350 hectares of vine in the region today. This Chinon is made up of the best parcels of Cabernet Franc, from many wine growers who have been working closely with the estate for years. It honours its fetish varietal with beautiful fruity accents highlighted by vegetal and mineral notes.

## Caractéristiques

Under the purplish red colour, the nose is medium and simple. Enjoy this dry, medium-bodied and fruity red featuring refreshing acidity. On the palate, it showcases fleshy tannins and a slender mouthfeel that leads into a medium finish.
